Event Description

AARP wants to help make the caregiving responsibility a little easier. That's why we have teamed up with the Arlington View and Nauck Community Area Churches to present a special "Caregiver's Breakfast" just to help family caregivers take a little time for themselves to relax and fellowship! Over one million Virginians are caring for older parents or loved ones, helping them to live independently at home. It's a labor of love, and a huge responsibility.

The AARP Virginia Caregiver's Breakfast, Arlington, will be on Saturday, February 25, 2017, from 8:30am until 10am at Drew Community Center, 3500 23rd Street South, Arlington, Virginia 22206 Questions or to Register: aarpva@aarp.org
